 The debtor(s) will maintain the current contractual installment payments on the secured claims listed below, with any changes required by the applicable contract and noticed in conformity with any applicable rules. These payments will be disbursed either by the trustee or directly by the debtor(s), as specified below. Any existing arrearage on a listed claim will be paid in full through disbursements by the trustee, with interest, if any, at the rate stated. Unless otherwise ordered by the court, the amounts listed on a proof of claim filed before the filing deadline under Bankruptcy Rule 3002(c) control over any contrary amounts listed below as to the current installment payment and arrearage. In the absence of a contrary timely filed proof of claim, the amounts stated below are controlling. If relief from the automatic stay is ordered as to any item of collateral listed in this paragraph, then, unless otherwise ordered by the court, all payments under this paragraph as to that collateral will cease, and all secured claims based on that collateral will no longer be treated by the plan. The final column includes only payments disbursed by the trustee rather than by the debtor(s).

4.1 General

Trustee's fees and all allowed priority claims, including domestic support obligations other than those treated in § 4.5, will be paid in full without postpetition interest.

4.2 Trustee's fees

Trustee's fees are governed by statute and may change during the course of the case but are estimated to be **8.00%** of plan payments; and during the plan term, they are estimated to total **\$9,563.00**.

4.3 Attorney's fees.

a. The balance of the fees owed to the attorney for the debtor(s) is estimated to be **\$2,365.00**. (approved and being paid)
b. Debtor(s)' attorney will be paid \$400.00 balance due of the total flat fees of \$400.00 concurrently with or prior to the payments to remaining creditors. The funds remaining after disbursements have been made to all other creditors provided for in this plan. Due to the additional arrearage it is difficult to calculate if there will be any funds available to unsecured creditors. Any funds available based on the current base will be distributed to unsecured creditors.

If the estate of the debtor(s) were liquidated under chapter 7, nonpriority unsecured claims would be paid approximately \$ **0.00**.
Regardless of the options checked above, payments on allowed nonpriority unsecured claims will be made in at least this amount.
